

Our Difference

Our Difference

Personal Empowerment is Key to Living a Healthy Life.

We believe:

- A whole-body approach is key to injury prevention and recovery
- Personal empowerment helps you achieve long-term results
- That with the right plan, you will live a healthy life

OUR STORY

In 1987, Kevin and Margaret Honsberger identified a gap in the professional treatment of injury.

With a background in education, healthcare, athletic coaching and training, they journeyed out to open a new style of treatment clinic specializing in injury management and empowerment.

With biomechanics as their guiding philosophy, the team introduced an innovative approach to injury prevention and recovery for elite athletes. Now recognized as world-wide leaders through their work with Canada's top professional athletes, sports teams and Olympians, the duo evolved their practice to have broader appeal to both employee wellness at corporations and individuals looking to lead a fulfilling life – pain free.

OUR TEAM

Grounded by the belief that personal empowerment is key to living and sustaining a healthy life, the Honsberger Physio+ team strives to maintain the highest level of quality, honesty and integrity in everything they do.

Our team of physiotherapists, athletic therapists and massage therapists offer diverse real-world experiences, expertise and personal athletic and academic achievements to their practice. From golf, hockey and baseball to workplace injury and concussions – learn about what we do best!

Kevin Honsberger, Founder

Kevin has been active in physiotherapy for over 30 years. He graduated with degrees in Physical and Health Education and received his Bachelor of Science in Physiotherapy in 1982 from the University of Toronto. He has worked primarily in the sports medicine field as a senior physiotherapist at the Mt. Sinai Sports Medicine Clinic and at the Fitness Institute where he was instrumental in reviving the Olympic High Performance Center. Kevin’s focus has been on the biomechanical nature of injuries and how to treat them. He also has a special interest in the role of orthotics and injury management, and the assessment and treatment of low back and pelvic injuries.

With the support of the entire Honsberger family, Honsberger Physio+ has grown to include two thriving clinic locations in Ontario and continues to incorporate innovative technology within all its service and program offerings.

JOIN OUR TEAM!

Open Opportunity: Registered Physiotherapist

Honsberger Physio+ is actively hiring for an athletic-minded, biomechanically-based Registered Physiotherapist...with personality!

We're an outgoing group of people, that absolutely LOVE what we do! We want someone who is willing to learn, challenge the status quo and TRY new things. We want someone to invest in us, the way we're prepared to invest in you!

Half of our team has been with the company for 10 years or longer, which is a testament to the type of company culture that is ingrained in our DNA. We're a tight-knit team who truly support each other. Together, we'll celebrate your wins and help you learn from your mistakes so you can continue to learn and grow.

The role is Monday - Friday, in our Markham location:
675 Cochrane Drive #105 Markham, ON, L3R 0B8

The successful candidate may have the opportunity to run their own satellite location within 6 - 10 months of working with our team.

About You

Our ideal candidate has experience in:

- Biomechanics + functional movement
- Exercise prescription
- Concussion care
- Orthotics, compression therapy, custom braces
- Vestibular is an asset but not required
- Visceral is an asset but not required
- Craniosacral is an asset but not required
- Dry Needling/Acupuncture is an asset but not required
- Pelvic Health is an asset but not required
- A CSCS or Personal Training certification is an asset but not required
- A history of working with high caliber amateur and professional athletes

About Us

Honsberger Physio+ is a leading healthcare provider in the Greater Toronto Area.

We're a team of 19 healthcare professionals that operate 10 sites across the Greater Toronto Area including Markham, Stouffville, Aurora, Burlington, Muskoka (seasonally), Richmond Hill, Brampton, Toronto, North York and Etobicoke.

Our team is continuing to grow due to the demand in our services and the reputation we have built with coaches, sports teams, agents and medical professionals in our communities.

During the COVID-19 shutdown, we truly took the time to reflect on our business processes, services offering and short term and long term goals. We used the time to our advantage! We opened two new locations that are already fully booked in Stouffville and Burlington, we hired a new Physiotherapy Resident (completely virtually), invested significantly in wearable technology to further validate our treatments and launched a number of new services!

The reality is, we do things differently than most of our peers and we have been recognized for that! We have been nominated for the Top Physiotherapy Clinic in Markham for three years in a row, won a Business Excellence Award for Research and Innovation in 2018, was nominated for Best Professional Service in 2019, and was nominated for and won Top Physiotherapy Provider in Ontario in 2019...with a 2020 nomination pending!

We believe in holistic health management. Our services include:

- Physiotherapy
- Massage Therapy
- Athletic Therapy
- Custom Orthotics, Braces and Compression Therapy
- At-home visits
- Strength and Conditioning Coaching and Personal Training
- One-on-one Pilates
- Baseline Concussion Testing + Recovery
- MVA + WSIB treatments
- Sports Performance Vision Training
- Corporate Wellness Programs (Ergonomic Assessments, Functional Ability Evaluations, Physical Demands Analysis, Lunch and Learns, On-site therapy programs, etc.)
- And more!

If Honsberger Physio+ sounds like the right place for you, we encourage you to apply! Be part of a talented and progressive team who can't wait to meet you. Work and learn alongside the best in the business where the power of our commitment drives our collective impact. Become your best self personally and professionally at Honsberger Physio+, where we hope you'll enjoy the best years of your life! We look forward to meeting you. New grads are welcome!

Application deadline: Friday, September 4th 2020

How to apply: Please submit an original cover letter and updated resume via email in .pdf format to robyn@honsbergerphysio.com
Only successful candidates will be contacted.

We appreciate your interest in our growing organization!
